## PLEASE Buy a Brick to help rebuild Broomfield Football Club

**After a devastating fire at the Broomfield Football Club two years ago, we have now started to build a new Clubhouse. To help raise much needed funds it would be fantastic if you could "Buy a Brick". You will be buying a personalised brick slip that will appear on the new clubhouse forever!**

Broomfield Football Club was established in 1905 and runs teams for all ages. Our aim is to provide a structured Football Club that offers all players steady development as they progress through the age groups. Broomfield FC is very proud to be a FA Charter Standard Club, an award held since September 2010. In 2011 and 2013 the Club was also awarded the Essex FA Chartered Standard Club of the Year, a fantastic achievement by all concerned, and one of which we are very proud. The football philosophy for the youth teams is to encourage skill development and technique and develop well rounded footballers – not to win at all costs.
