Team Managers & Coaches needed for 2019/20. We are looking for volunteers to help coach and/or manage teams in the following age groups:

Boys - U14 Broncos U16s U17s U18 Storm PLUS Girls – Mini Soccer Age Groups

The above Boys teams are already established which are sadly losing their Managers due to the working commitments. All teams play in the Blackwater & Dengie Youth Football League playing matches on Sunday.

We have a fast-growing girl's section and have recently been approved by the FA as a SSE Wildcats Centre. We hope to have more girls competing at various mini soccer age groups in the Brentwood Community Football Alliance next season.

Prior coaching experience would be preferred and qualified to Level 1 FA Coaching, however the Club will fund FA Level 1 for Managers and Coaches including First Aid and Safeguarding Children Workshop. All new Coaches will first need to have a DBS check.

We are a well run local Grassroots Football Club with our own clubhouse, pitches and excellent facilities. You can read more about our friendly, family-orientated club at www.broomfieldfc.com, or if you would prefer an informal chat, please call our Chairman Andy Sears on 07468 493690 or E-Mail andysears66@hotmail.com.
